

## 2017-18 DIRECT-TO-LIFT TICKET RETURN FORM

The mountain is now closed for this ski season. It's time to return your unused **Direct-to-Lift tickets** (DTLs). So, check your ski bag, ski jacket, locker, and other places for any DTL tickets that you didn't use this season.

You must return your ticket to me **no later than Wednesday May 2, 2018**. No exceptions!

Members returning unused DTL tickets will receive a check rather than receiving a credit for next season. The Ski Club will no longer be selling DTL tickets as the cost difference between the Bear Valley window ticket price and the DTL ticket cost is no longer a significant savings.

Please return tickets to me using the form below. If you don't quite trust the U.S. Mail, make a copy of the tickets before you return them.

Thanks – Harvey Barnett, Ski Ticket Chair
